Dear Ms Rochira

Formal written notice issued under the Commissioner for Older People (Wales) Act 2006: Request for More Information

Thank you for your letter dated 17th April noting the need for more information regarding specific sections of Gwynedd Council's response to the requirements for action in "A Place to Call Home".

We have considered your letter carefully and thank you for drawing attention to where we can strengthen our response. I trust we have addressed the matters you have raised and I enclose our response with the additions or further explanation highlighted in bold print for your convenience.

I hope we have addressed your requirements in an acceptable manner with these amendments, but you are welcome to contact me or Morwenna Edwards, Corporate Director, should you wish to discuss any part of the work programme.

Thank you for your attention in the matter.

Yours truly
